HOME ENVIRONMENT

You may attach a separate sheet of paper with the answer to these questions if you wish.

1. Describe your neighborhood and home in as much detail as possible, including any recreational facilities available. Indicate whether the student would have easy access to musical instruments, computers, sports facilities, etc.
Inner-city neighborhood on the far northside that has been "gentrified." Community is racially diverse (approx 2/3 Caucasian, 1/3 African-American). The local high school, Broad Ripple High School, is a performing arts magnet school for IPS. They have large programs in theatre production, set design, choir, orchestra, and speech and debate.
2. Please describe each family member (including yourself) as to personality, interests, etc.
Regina is a sales rep for Sarah Lee. She travels to groceries in Marion County and is home every evening by 6 p.m. (A traveling salesman who sleeps in her own bed every night. How odd is that?) Roger is an insurance agent with a small office about 2 miles from our home. Roger is African-American and his customers are primarily from the African-American community in the near northside of Indianapolis. Roger is a volunteer girls soccer and basketball coach for the Irvington Neighborhood Association.
3. Describe a typical weekday and weekend in your family.
Roger has a lot of flexibility with his job. Some of which he can do from home if the kids are sick and can't go to school or daycare. His normal office hours are 10-6. Roger drops the kids off at day care or school. Regina typically works 9-5 and picks the kids up at daycare. Weekends we tend to relax if we are staying in town. Regina plays saxophone with a brass quartet that gets together just for fun. We both have a love of Jazz music and will travel on weekends to attend concerts in Chicago or St. Louis. Occasionally we will see a live theatre production. There are 5 theatres within a 15 minute drive of our home.
4. What type of chores do you expect family members to help with around the house?
Dishes / his / her own laundry
5. Do you have non-negotiable rules in your household (such as curfew limits on computer use, etc.)?
Curfew 10 p.m. school nights. Midnight weekends. Later curfew, perhaps on special occasions if negotiated in advance. Computer use only in the family room, only after homework is completed.
6. Does any member of your family have a dietary restriction (such as vegetarianism)? If so, please give details.
None
7. Name(s) and year(s) in school of any of your children attending the same high school as the AFS participant next year:
