

Mobile Check Deposit

Deposit checks into your business accounts anytime using CashPro Mobile on an Apple® or Android® device.

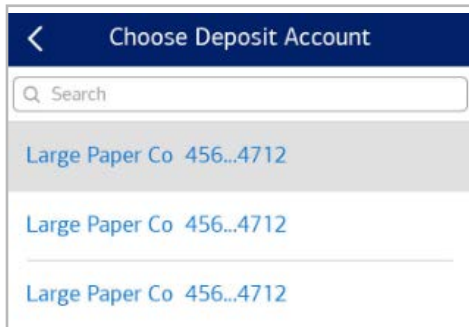

Users must be entitled to Mobile and CashPro Remote Deposit to use Mobile Check Deposit.

To deposit a check from the CashPro Online Mobile Application:

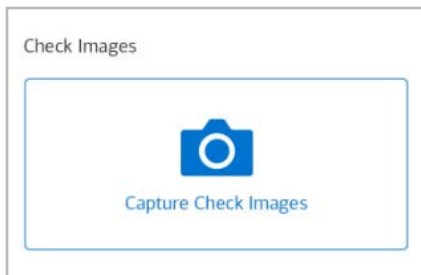

1. Select **Check Deposit** from the main menu.

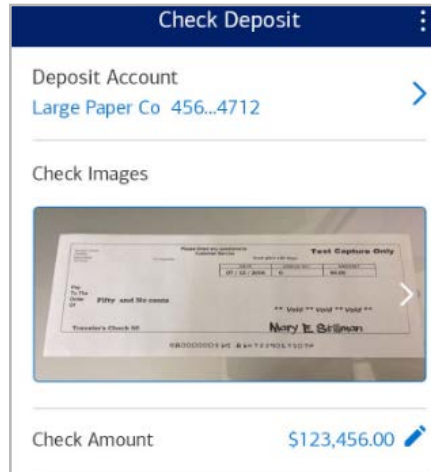

2. Choose the deposit account.
3. Select an account from the list of accounts.

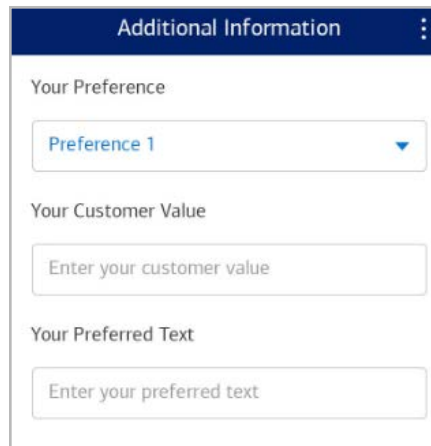

4. Capture images of the front and the back of the check.

The camera will auto-snap the picture when the check is in focus and the check amount will auto populate once the image is successfully captured.

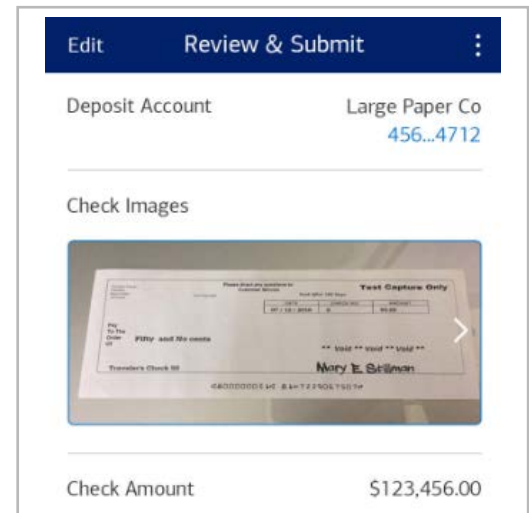

5. Clients can customize their deposits by adding required and optional fields.

6. After all of the required fields are completed, select **Continue**.

7. The deposit will be available within the Review and Submit screen. From this screen a user can edit the deposit or, click **Submit** to complete the deposit.

Once submitted the user will receive a successful deposit message.
